This document outlines where to see your BV rewards from your iTransact referrals once they are processed each month at Market America-Corporate. The image below is what your back office home page looks like once you have logged in.

From the navigation menu, select "Ordering>Order History/Reorder>Order History"

Once you click on ORDER TRACKING, a table appears with orders listed from most recent to oldest. They can be sorted by column. (If you click on the column header, it will sort alphabetically.)

To locate your BV referral rewards, look at the **REFERENCE** column and the **TOTAL** column. The **TOTAL** column will always have a \$0.00 amount and the **REFERENCE** column will begin with the letters 'BV'. Since there are other orders that also list 'BV' as the Reference, the rewards will always show zero cost. (We hope soon to have a different phrase for the **REFERENCE** column to make it more descriptive, e.g., "iTransact BV Rfrl.") For the purposes of this document, the UnFranchise Owner's or customer's name (in the SHIP TO NAME column) have been removed.
